Knowledge is much like the sea. The more we explore its depths, the vaster it becomes, but in the exploration we learn, we experience, and we have fun.

Our year at Carter is like that, too. The treasures and the knowledge are submerged and hidden until we go below the surface and discover those treasure chests.

The Annual Staff, in selecting a deep sea theme, hopes the '58 Eagle will be your treasure chest, one that will keep the memories of the year alive, and will remind you of friends and of the knowledge you have learned.

Dear James,
I hope you enjoy knowing me. Have a lot of fun with the Pass you have.

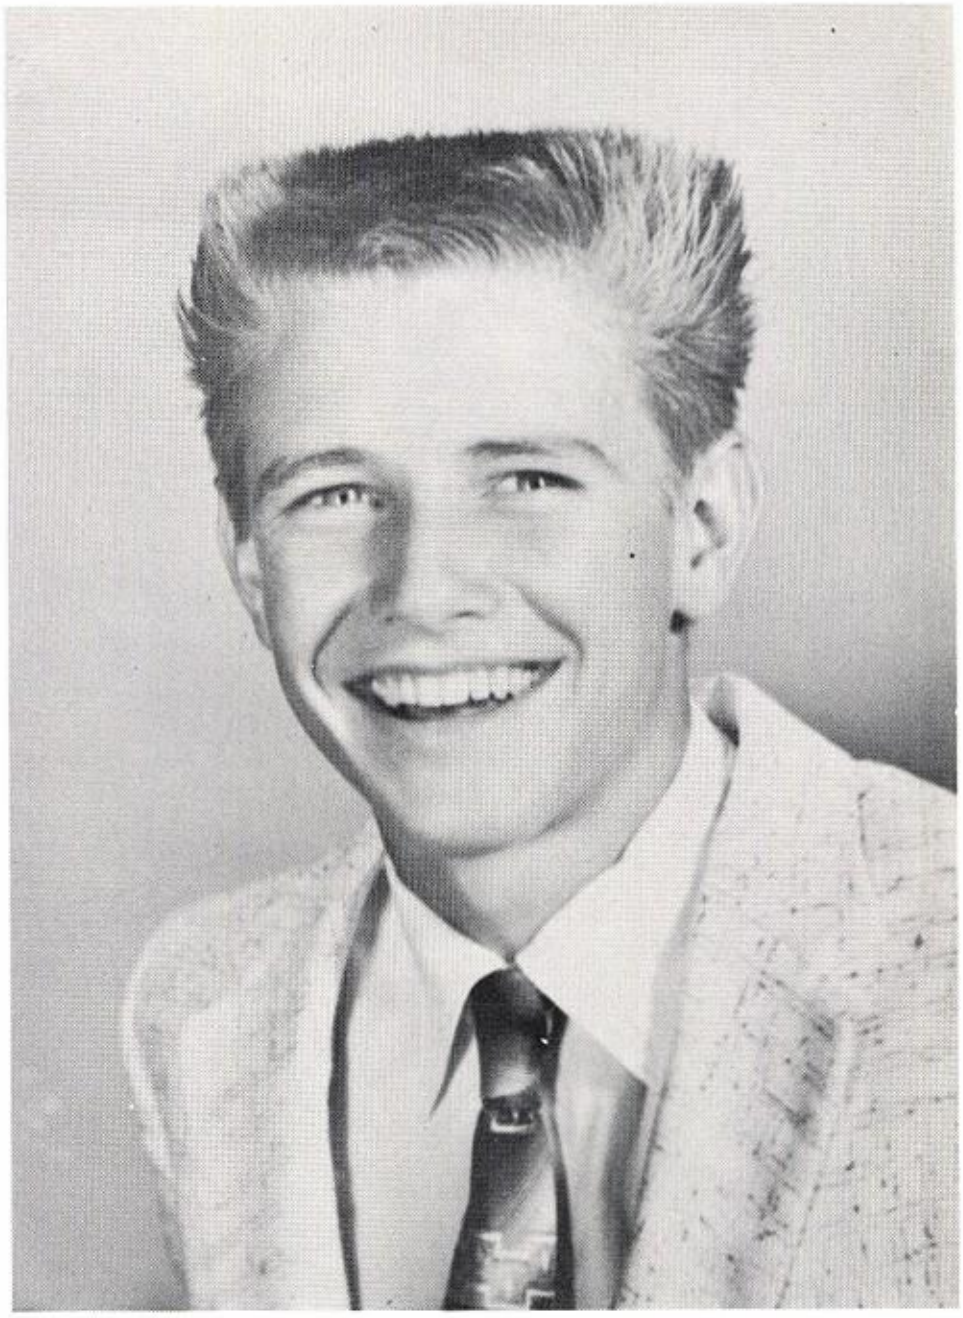
Dedication

The 1958 EAGLE is respectfully dedicated to the memory of Mrs. Lida Carrico, Home Economics teacher at Carter for 17 years. Under her direction the department became an outstanding one. A friend and advisor to all her students, she also served as R.O.T.C. faculty sponsor for several years. Mrs. Carrico will always have a very special place in the hearts of those who love Carter-Riverside.



We Remember

ROBERT GRAYSON

ACTIVITIES

Displaying their talents in applying makeup are Y-Teen pledges for 1957. The CHS lovelies from left to right are Judy Riscky, Carolyn Neely, and Frances Wood.

Famished inductees Carla Baxter, Jill Harper, Fran Albright, Nancy Bryant, Suzanne Randolph, Martha Stanton, Beverly Huston, and Margaret Lee flash eyes right for Eagle camera-man. What would Emily Post say, Ladies?

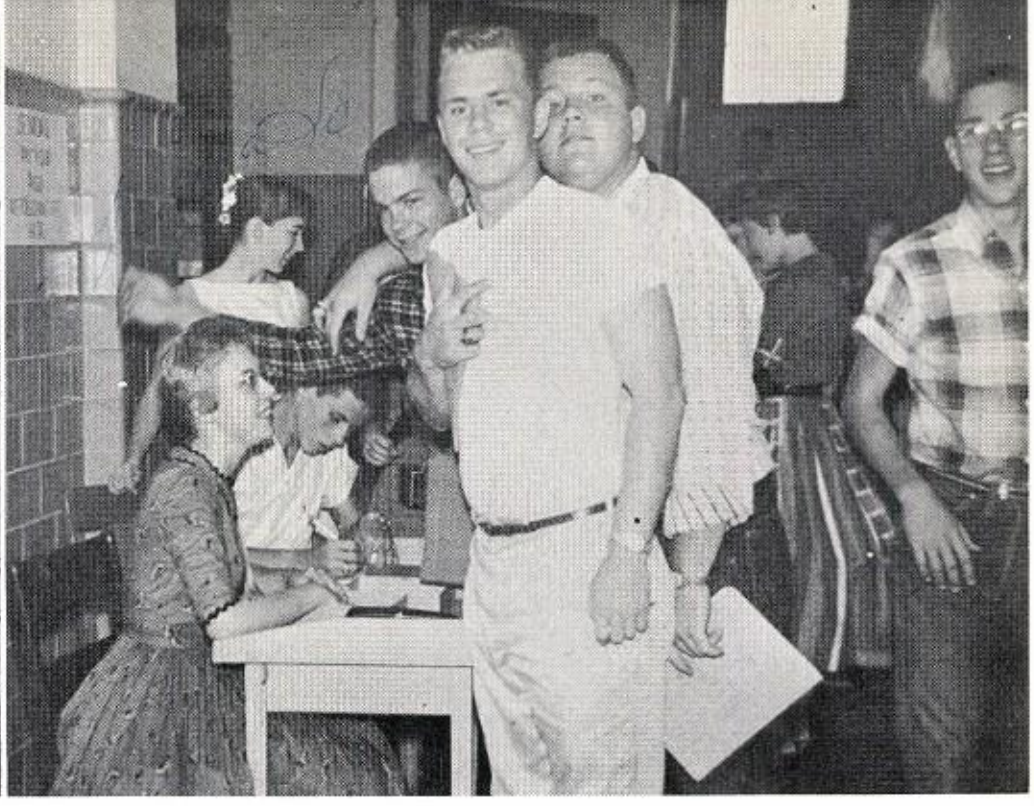
On October 15, the Y-Teens had their annual initiation of their new members. Initiatees dress up according to the dictates of their officers. This year they were required to wear shirts and skirts with one high heel and one tennis shoe. No makeup of any kind was to be worn, and they were to wear as much jewelry as possible. They paid homage to their senior Y-Teens by bowing, carrying their books, and obeying their commands.

Y-Teens Initiate New Members

Joyce Conditt practiced all week for this big moment. It isn't everyone who can say they pushed a penny over the Carter campus with their nose.

The ancient Egyptians did this, girls, but now we carry them with our hands! Dorothy Johns and Barbara Shelby carry on orders from Senior Y-Teens.

Betty Grossman and Faye Harris take picture orders while Judy Thornton appears somewhat unaffected by the whole situation.



Taking money for Senior retouching fees, Janie Ball and Edd Bivin work diligently, while Neal Sitzes, Robert Havens, Roy Lovelady and Tommy Palachek pose prettily for the camera.

Judy Starnes gives her order for pictures to Faye Harris and Donna Summerour awaits anxiously. Dandy Roy Don Wilson straightens his tie in preparation for his picture.

Picture-Taking Becomes Everybody's Business

Early in the fall, pictures were taken for the EAGLE. Seniors trekked across town and had three formal and three cap and gown proofs made at Hogan's Studio. Sophomores and Juniors dressed their best and came by homerooms to have their photos made. All undergraduates have their pictures made free which assures them a place in the annual.

Mike Thompson "smiles for the birdie," while Mr. Hogan snaps his picture for the '58 EAGLE.

Queen Glenda Shewmake receives roses from Lou Coursey at the half.

Jan Barney, Judy Starnes, Pat Walls register and welcome Exes to Homecoming.

'57 Eagles Welcome Carter Exes

Eagleland once again played host to a throng of 350 ex-students. At their anual meeting the exes elected Carter's Homecoming Queen, Glenda Shewmake, from four nominees. She was crowned on stage and given a miniature gold football at the homecoming pep rally. Exes president, Lou Coursey, presented Glenda with a dozen red roses between halves at the Poly game, October 15.

Carter Boosters serve John Solberg and Jerry Anderson at the snack bar en route.

Whipping up that old Eagle spirit was Lynell Roberts, Gail Goodman, Glenda Yeargan, and Betty Reid.

Houston Attracts Dixon Devotees

The T. & P. Railroad station's rafters resounded with joyous cheers of ardent Eagle fans who boarded the Eagle Special to Houston for our game with the Sam Houston Tigers. Eagle fans departed Saturday morning, September 28, and returned early Sunday morning. The Special Train, sponsored by the Booster Club, was packed with approximately 250 Carterites, their parents and friends. Although the Eagles lost, 7-6, everyone kept a "winning" spirit all the way.

Sara Jones and Margaret Lee catch a vista at the rear of the train. But what does the rag doll have to do with it?

This peppy pair, Kenneth Gudgen and Don Rogers, put trimmings on Houston-bound Special.

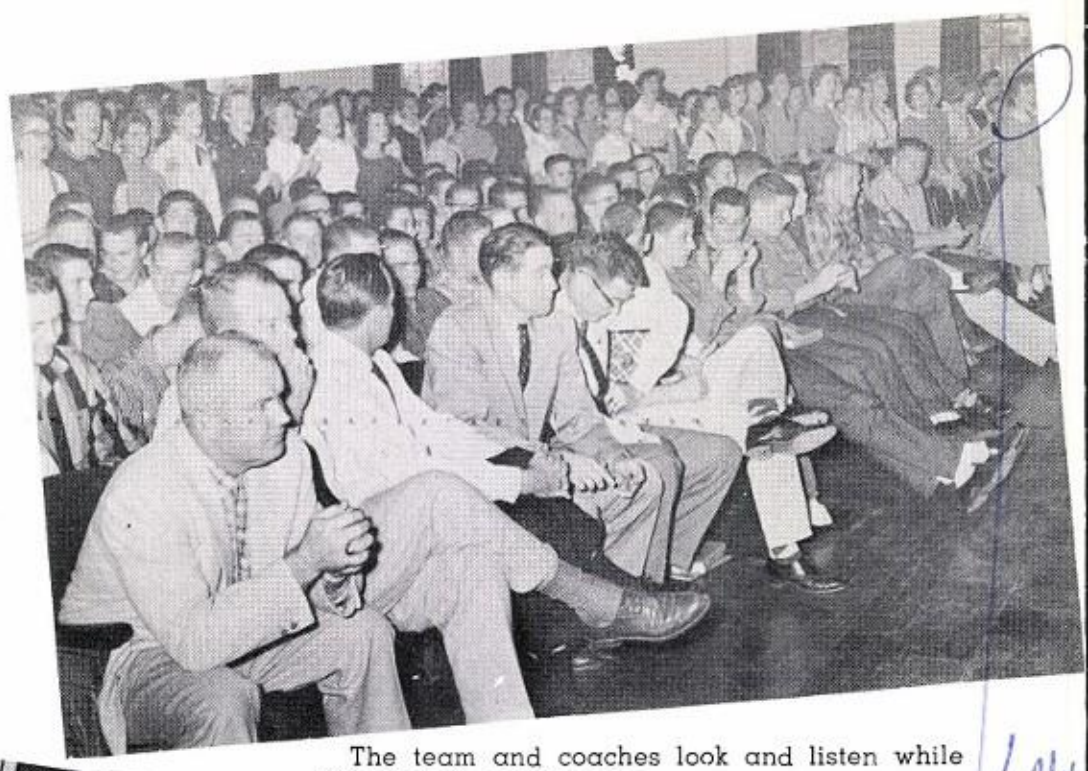
Eagle supporters Stephanie Brady, Glenda Shewmake, Anne Parker, Margarett Terry and Sue Lewis wave last farewell to Cowtown.

Homecoming queen candidates were Gayle Kinsey, Jan Joyner, Janis Richardson and Glenda Shewmake.

Card shark Glenda Yeargan amazes onlookers Freddy Jones and Polser twins, Ted and Fred.

Was that bid four hearts? Jan Joyner, Bobby ue Albrecht and Faye Harris concentrate on ridge.

Jill Harper, Beverly Huston, Susan Hayes, Susan Randolph and Carla Baxter board the Eagleland Special.



The team and coaches look and listen while "Be Calm" reverberates.

Football and Pep Rallies

Cheerleaders portray Indians and fall flat to drum up spirit for the Sunset Bison game.

"Paul Revere" was the name of this skit given before the Paschal game.

Glenda Yeargan paints Edd Bivin's lips for his role as "Chesty," one of the year's biggest laughs.

Betty Grossman, Faye Harris, Jan Joyner and Judy Spivey show various emotions at the Poly game.

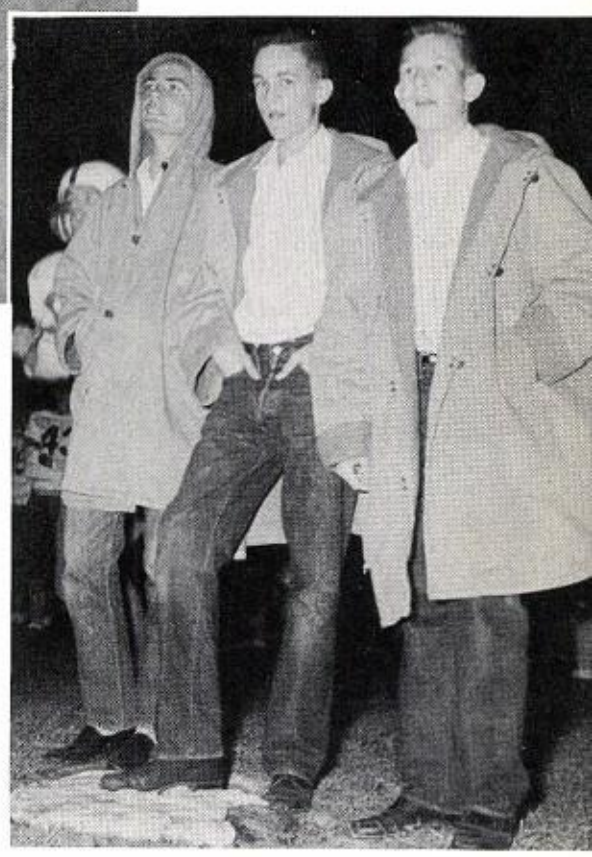
Kick off means thumbs up for the Eagle rooting section.

Tense expressions are the rule for those on the bench at the Paschal game.

"Row, Row, Row" — was the cheerleaders' theme in this stunt.

Are Fall Highlights

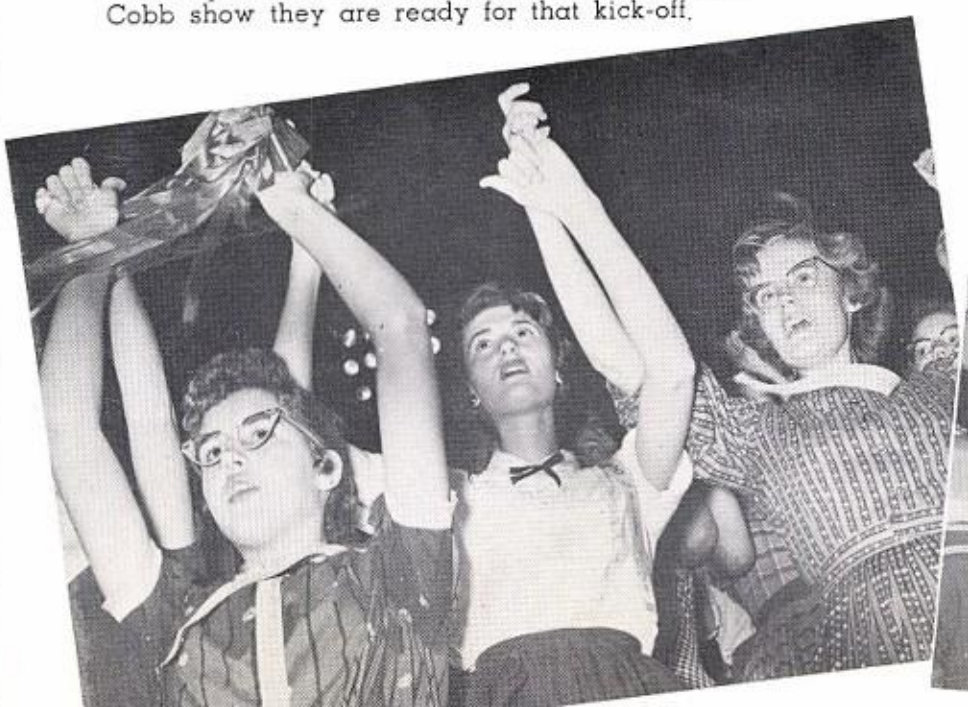
Carter's cheerleaders, Glenda Yeargan, Edd Bivin, Valerie Forrester, Kenneth Gudgen, Glenda Shewmake, Mike McAlister, Gayle Kinsey and Don Rodgers, went all out to make the year's pep rallies entertaining as well as pep-rousing. Some of those stunts are shown on these pages together with some typical scenes at Carter's football games.



Tommy Ward, Johnny Chrisman and Stanley Woodring watch the game from the sidelines.

Mike McAllister found cement in his **mum** while other cheerleaders pose as footballers.

Gerry Hammonds, Billie Sheehan and Delores Cobb show they are ready for that kick-off.



Band members relax during the third quarter and after their half-time formations.

"Hold 'em Joe" was the sound heard by Jane Olmstead, Hank Ramsey, Susan Moore, Jo Ann Chipman, Judy May, Lewis Marchbanks, Sandra Scott, Gordon Hardisty, Vicky Brown, and Danny Trice, members of the Sextets, during one of the fall talent shows.

Carter has its own Ernie Freeman combo; these cool cats are Sidney Guidry, Mike Warbrittion, Mike Thomas, and Tommy Flowers.

Bill Lawrence, Sherry Rawls, and Dwain Scott really bop it up in one of our talent sessions.

Chorus members form huge Christmas tree for their annual Christmas program.

Talent at Carter Displayed at Talent Shows and Christmas Program

From the ranks of the chorus and band come much of the talent which entertains Carterites. Whenever a show was needed Miss Winston screened those wanting to perform and organized the numbers into an entertaining show. Two talent shows were combined wtih one-act plays from the speech department and the Christmas program was presented entirely by Carter's chorus.

Sweet sounds come from chorus members during the Christmas show.

Individuals who performed were Jo Ann Chipman, Sandra Scott, Judy May, Page Ramsey, Susan Moore, Carolyn Rogers, and Frankie Hewitt.

Ronnie Harrison, Jerrell McDowell and Robert Rexroat aid amateur sharpshooters.

Turkey Shoot Comes to Carter

"Ready! Aim! Duck!" The cry rang through the R.O.T.C. armory at the Thanksgiving Turkey Shoot which was initiated this year by the Gun Club. James Goodwin was top scorer and gave his prize of a turkey to a needy family. Other winners were Ronnie Harrison, Sidney Guidry and Carla Baxter who won the boobie prize of a dove for shooting out a light.

Russell Wirtz supervises contestants Paul Fisher and Don Russell while junior girls peer at the firing range.

Tallying scores and registering contestants are Miss Berrong, Sgt. Keene, and David Pliler.

"B" teamers, dates, and parents listen to Coach Dixon's review of the 1957 football season.

Eagle cheerleaders assume responsibility for entertaining the football team and their dates.

Footballers and Dates Dine and Dance at Annual Shindig

At the end of the football season, 200 football boys, their dates and parents attended the Booster Club's annual banquet and dance. The boys presented the coaches with gifts and Neal Sitzes presented the 1957 Football Queen, Janie Ball, with roses and a miniature gold football necklace. Principal speaker for the evening was S.M.U.'s Sam LaRue.

Dixon gives the inside story on "his boys," while Coach Cooper and Edwin Groves hold a long distance convention.

Presenting Queen Janie of the House of Ball, Carter's 1957 football ruler.

Serious Carterites listen to Sam LaRue, SMU coach, relate interesting experiences in the realm of "King Football."

Joyce Wakefield poses with Santa Claus piñata she made for the Spanish Club's Christmas party.

Another important holiday activity was the homemaking class tea; faculty is served by Jan Joyner and Judy Spivey.

Miss Eva Craig is served by a host of gracious students. Left to right are Wanda Haston, Edwin Groves, Kenny Millican, Janis Richardson, Sallie Carter, Vicky Brown and Mrs. Janek.

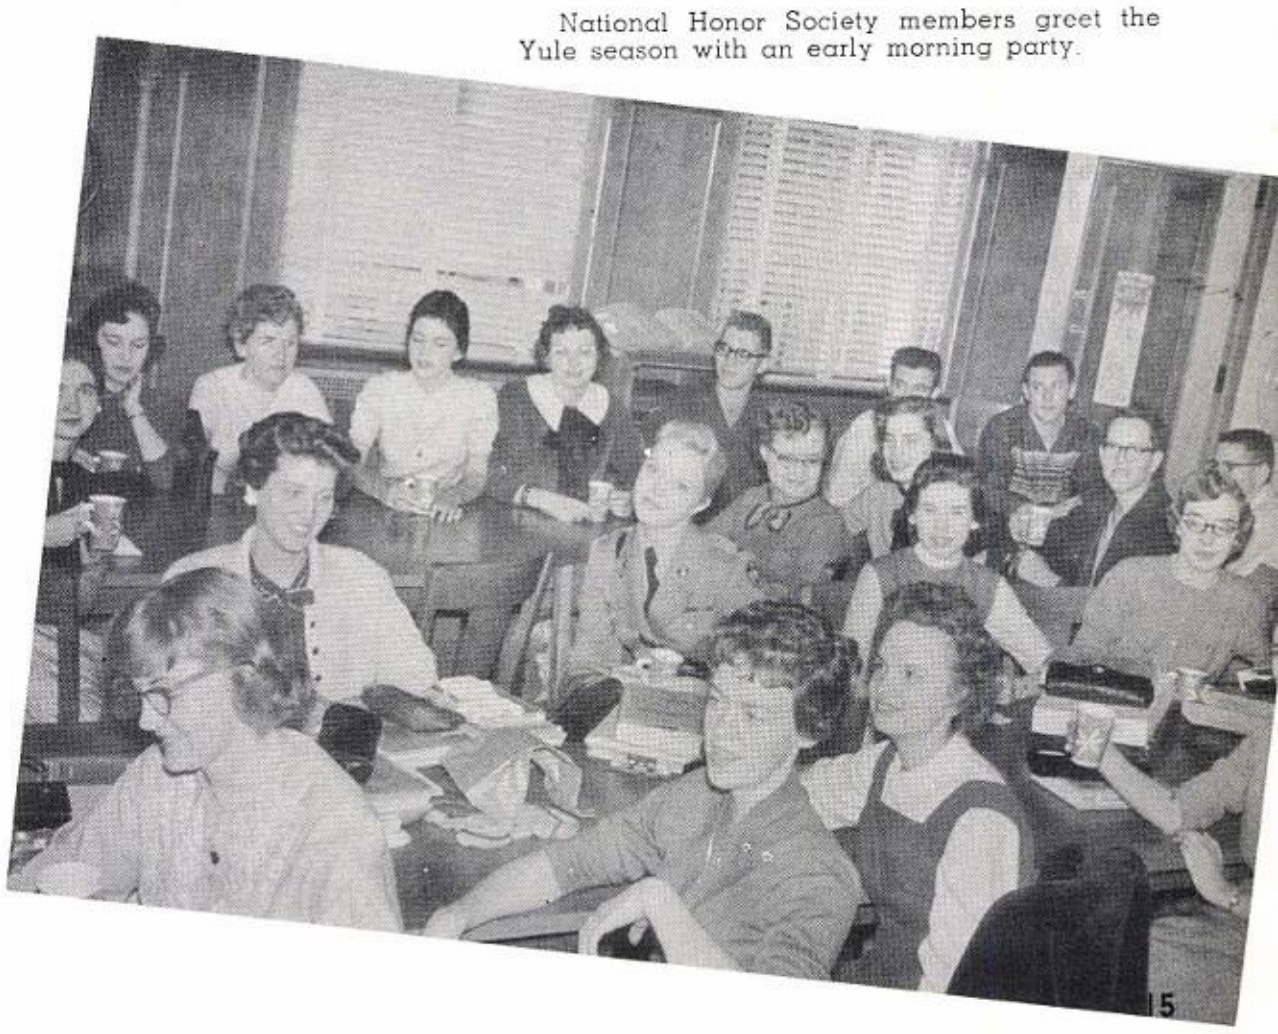
Parents and students enjoy the annual R.O.T.C. open house. Mrs. Chick inspects weapons handled by David Pliler, Bryan Chick, Bill Sonricker, and Carolyn Long.

R.O.T.C. sponsors Mamie Worthington and Janie Echols act as hostesses to Mrs. Georgia Willis, Mrs. Lucille Parmeter and Mrs. Hazel Yeary.

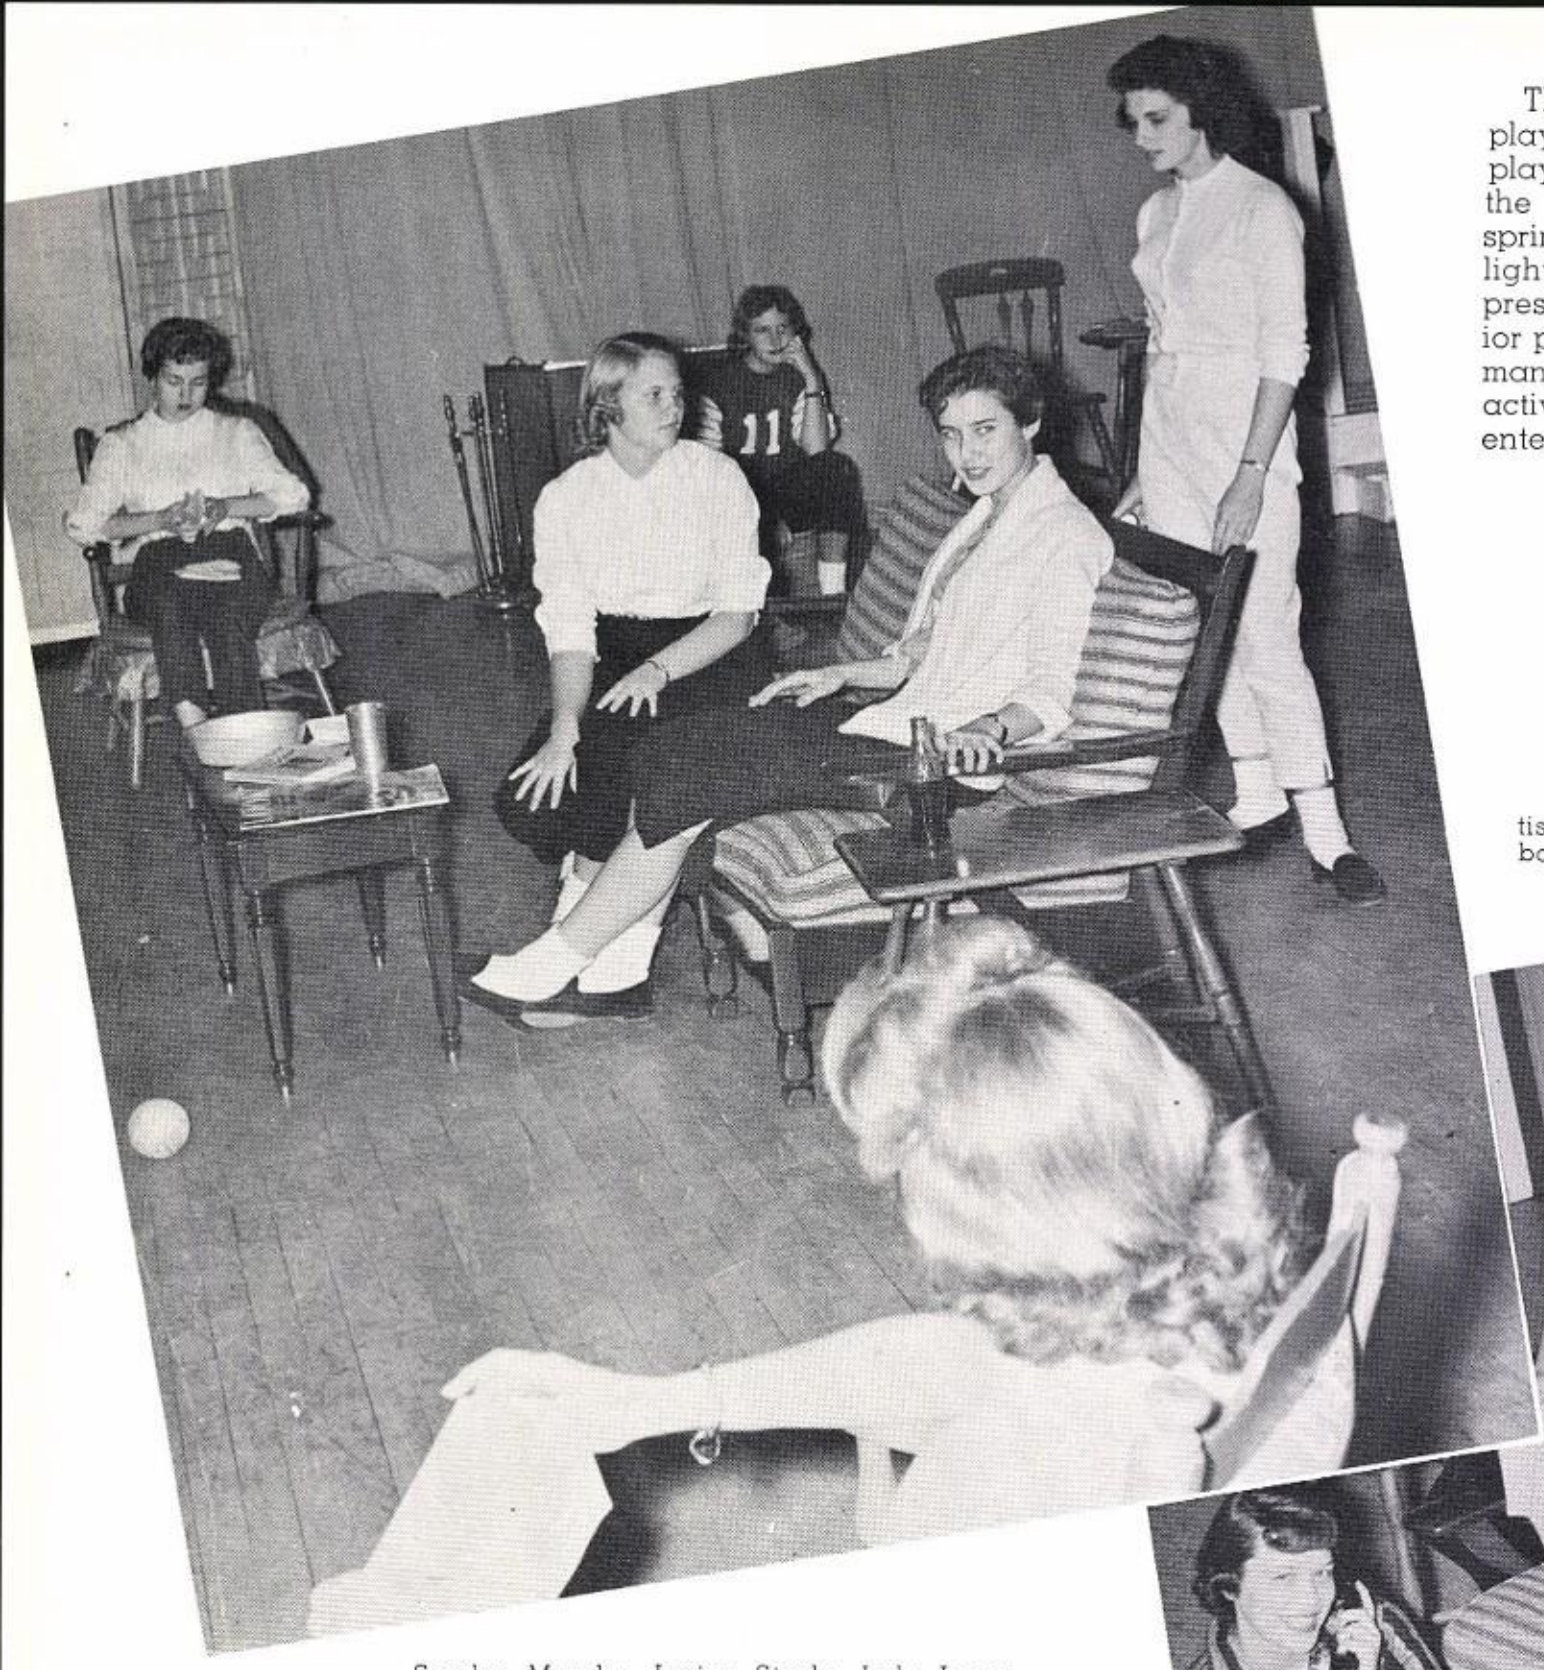
Holiday Time Is Party Time

Christmas time brings good cheer in the form of parties, open houses and teas. The Home Economic department led off with a tea which demonstrated students' culinary arts for parents and teachers. Down in the armory, Miss Berrong, the R.O.T.C. Sponsors, and parents held open house for members of the corps and guests. Other Christmas activities were parties given for children by the Y-Teens, the Spanish Club, and the F.T.A.

National Honor Society members greet the Yule season with an early morning party.



Three one-act plays, a three-act play, "Nine Girls," and the Senior play, "Down to Earth," demonstrated the versatility of this talent. In the spring of '57 a humorous and delightful play, "The Dabbler," was presented along with the spring Senior production. Directed by Miss Putman, these plays have provided fine activity for students as well as much entertainment for the student body.



Sandra Murphy, Janice Steele, Judy Jones, Pat Callaway, Carolyn Floyd, and Jeanie Winters are six of the girls in "Nine Girls."

"The Dabblers" was a play about hypnotism with Donna Leak, Norma Farr and Barbara Price.

New and Sparkling Talent Marks Dramatics

Margaret Mayes, Barbara Locke, Judy Bailey and Cary Vollintine were included in the cast of "Nobody Home."

In the picture below are more members of "The Dabblers." They are Betty Paschal, Judy Bonner, and Margaret Trietsh.

The slightly grimy cast poses for after production pictures.

Senior Players Come "Down to Earth"

Gridmen Sweep to Second in Conference

New talent was the keynote of the 1957 football season. Coach Buster Dixon began the season depending heavily on halfback Pete Hill, ends Bill Danford and Larry Ligon, tackle Roy Lovelady, and center Edwin Groves. These were the boys returning from the 1956 starting lineup.

It soon became evident that the Eagles' potential would be in their juniors, quarterback Gray Mills, halfbacks Jerry Terrell and Bill Kemp. When everyone began lauding the merits of these young men, Coach Dixon just grinned; he'd known it all along.

As the Eagles battered their way through a grueling pre-season lineup, they battled everything from the ninth ranked team in the state to the Asiatic flu. The Dixonmen lost a few teeth and broke some bones, but they gained rapidly in experience and skill; by October 18, they felt they were prepared to meet the Parrot powerhouse, Poly High.

The Eagle High boys stepped gingerly over the Parrot team 12-0; the next week they did not step over Arlington Heights, they romped over the Jackets 40-6.

In game three of the '57 season the Paschal Panthers slightly ruffled the Eagles' feathers as they "stomped" to a 40-6 victory.

After making repairs on various ligaments and running out sundry kinks, Carterites attended a barbecue of the North Side Steers. Final score was Eagles 12, Steers 6.

By the time the Tech game was over, there wasn't a clean uniform on the Carter line-up. Everyone got to play except Coach Dixon and the Bulldogs. When the final gun sounded the Eagles finished the season with a neat 45-6 victory and second place win in district play.

The Eagles' basketball season started off with a bang, four straight wins and 9 out of 12 games won in non-conference tournaments. However, from 3 to 5 points made the difference in the year's district playoffs. Lack of height and not lack of spirit and playing ability was characteristic of Carter's team which finished in 6th place in district play. With two star sophomore players and several sophomore and junior returning lettermen, the 1958-59 season promised a brighter outlook.

Janis Richardson and Gloria Wakefield are beginning to wonder if that ball is ever coming down. Volleyball practice looks like fun.

Fun and Constructive

Complaints of sore, aching muscles were heard from the girl's P. E. room during those first days of school, but the fun and enjoyment found in vigorous exercise soon overcame them. Never a dull moment should be the slogan here. Four of the featured sports are found on these pages.

On March 18 a folkdance contest was held between several of the Ft. Worth schools. In April two tennis tournaments were played, and an archery tourney was held. Volleyball was popular all the year and the Carter team won several competitions.

Sponsors of girls' athletics were Mrs. Matthews and Mrs. Tilford.

Members of the volleyball team were: Vicky Brown, Gloria Wakefield, Pat Creamier, Glenda Yeargan, Sarah Jones, Sallie Carter, Janis Richardson, Frankie Hewitt, Jan Barney, and Judy Smith.

In the spring, the president and another member attended the state convention which was held in Denton, Texas. All expenses were paid by the club.

These are only a few things that the F. T. A. does along with its main function of acquainting its members with the teaching profession and helping students to decide whether they would like to journey into this field. Mrs. Lucille Parmeter is their capable sponsor.

Under the sponsorship of Miss Katherine Officer this club maintains the school spirit of both athletic teams and student body. The officers planned energetic workouts for club activities. In March and April the club gave its undivided attention to the training of candidates for the '58, 59 Cheerleaders.

Choral Scholars Present Varied Entertainment

Variety has been the keynote of chorus activities this year. Leading off a parade of musical programs was a talent show which featured group singing as well as individual numbers. The chorus produced a melodic and inspiring Christmas program for both students and P. T. A. The combination of drama and music made the following shows an unusual treat. In the spring, chorus members produced an Easter program and a variety show. By attending the annual T. W. C. Choral Clinic members improved their musical skills.

The singing Eagles of CHS were:

Music-Makers Have Largest Membership In '57-'58

The band officers for the year of 1957-1958 were: Terry Higgs, V. P.; Mike Warbritton, drum major; Brenda Elms, Sec.; Freida Bird, Pres.

Under the direction of Mr. Charles R. Hoffman the year of 1957-1958 was a happy and pleasing one for Carter's band members. They provided good music and colorful halftime activities at football games under the field direction of drum major, Mike Warbritton. During the Houston trip, sponsored by the Band parents, a 'real cool' jam session had the students making like American Bandstand in the aisles. A band clinic and frequent participation in student programs rounded out the activities for the year.

Mr. Charles Hoffman, Director.

This year the majorette corps was sparked by sophomore, Twila McCoy, who is State Junior Champion. The band is also very proud of their five other majorettes: Holly Susen, Kathy Dickey, Betty Johnson, head majorette, Judy Swinson, and Betty Black, and drum major, Mike Warbritton.

Mexico, Land of Enchantment

Spanish Club members concentrated on this theme during the year. For one special meeting, members dined together at Jose Garcia's and enjoyed an excellent Mexican meal. The club's Christmas project was a Santa Claus pinata which was sent to the Wesley House, a Latin American community center.

Latine Oicere Eat Jocularis

"To speak in Latin is fun" is a thought popular with Latin Club members. In this club programs teaching Roman manners and customs highlighted the meetings. Members took time at Christmas from the usual program to help others. A friendship tree and scrap books were sent to the children's hospital to wish them a Merry Christmas.

Initiation day for the Latin Club found four new members roaming the halls of CHS in Roman garb. Seated left to right are Linda Kunze and Neva Carter. Standing are Jo Ann Wyatt and George Granthom.

Sputniks! Whatniks! Members of Carter's Science Club could be the future builders of these impetuous space travelers or explorers of the Deep Sea.

What are they doing now? This year the boys constructed a rocket! Would anyone like a round trip ticket to the moon?

"How to Do It" in Science and Photography

Photography means pictures and in the Photography Club, picture taking is combined with discussion on good picture composition. The club also learned to run the motion picture cameras and projectors. Programs included vacation slides and a study of Photographic Magazine.

Dit-dah-dit-dah! Those ham operators are at it again. Carter's Radio Club was the spot where radio enthusiasts congregated for a study of circuits and transmission procedures. Under the sponsorship of Miss Berrong, the club enjoyed two socials in the form of coke parties.

Radio, Rifle Clubs Provide Information For Hobby Minded Students

A welcome newcomer to Carter this year was the Rifle Club. Its three principal purposes were to develop interest in shooting, safety in handling a gun, and improve shooting ability. Activities of the year centered around rifle matches and an all-school Turkey Shoot which was held just before the Thanksgiving holidays. The Club also promoted a friendly fellowship among its members.

Fall officers of the Gun Club were: Robert Rexroat, Pres.; Byron Christian, V. P.; Joe Warren, Sec.

Junior Red Cross Packs Overseas Chests

Did you know that you are a member of the Junior Red Cross? Everyone in school is! Representatives elected from home rooms kept students informed of the activities of the club. Overseas chests provide the biggest project of the club. Three were packed this year. To augment monies a clever talent show was presented in February. Christmas caroling and other programs made this a busy club. It was under the sponsorship of Mrs. Georgia Willis.

Red Cross officers were, left to right: Judy Riscky; Mrs. Willis, Sponsor; Valeris Forrester, Sec.; David Fuchshuber, Pres.; Brenda Elms; Renate Westernhagen, Treas.

Packing an overseas chest for shipment are David Scott, Marilyn Turner, Faye Harris, and Jan Barney.

Composed of the library staff, the Library Club met before school for its meetings and then was kept busy every day during the year. They are also members of the state wide Teenage Library Association.

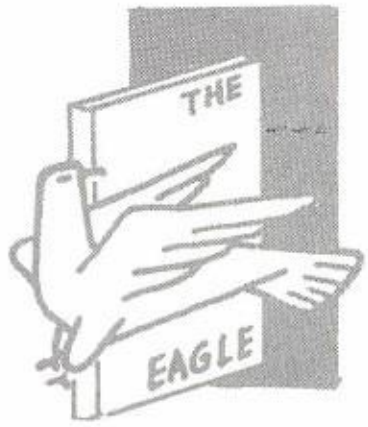
Club members were: Gloria Wakefield, Joyce Wakefield, Beverly Skelton, Curtis Sanders, Sharon Phillips, Marilyn Mayerhoff, Janie Echols, Marilyn Turner and Neva Carter.

Library Staff Offers Courteous Help

Student Officer Workers Do Needed Tasks

"It's a mad, mad world" so say the office workers. These essential and efficient workers are ready to run at Mr. Lindsay, Mr. Sullivan, or Mrs. Bright's beckoning call. They include Glenda Chandler, Kaye Pool, Freida Bird, Ann Parker, Judy Jones, Linda Kunze, Linda Cross, and Judy Padgett. These girls save many steps for the office staff.

Edd Bivin and Julaine Boatman were co-editors of the '58 EAGLE. Mr. Ed Curry sponsored.



Eagle Staff Selects "Deep Sea" Theme

Publishing an annual required more effort than staff members expected, but after discussing and selecting their theme for the year, they settled down to making layouts, writing copy, taking subscriptions, and doing the other numerous jobs necessary for turning out a good book. For the first time in several years credit was offered to those on the staff. After deadlines had been met and annual work finished, the class studied photography.

Checking over the latest pictures are: Margarett Terry, Julaine Boatman, Charlotte Thetford, Linda Cross, Betty Grossman, Jo Ann Chipman, Glenda Shewmake, and Bobby Joyce Tillery.

Supervising and drawing the layouts for the '58 EAGLE are: Rosalyn Jones, Edd Bivin, Jan Barney, Judy Smith, Stephanie Brady, Faye Harris, Janie Ball, Janice Scott, and Carol Hill.

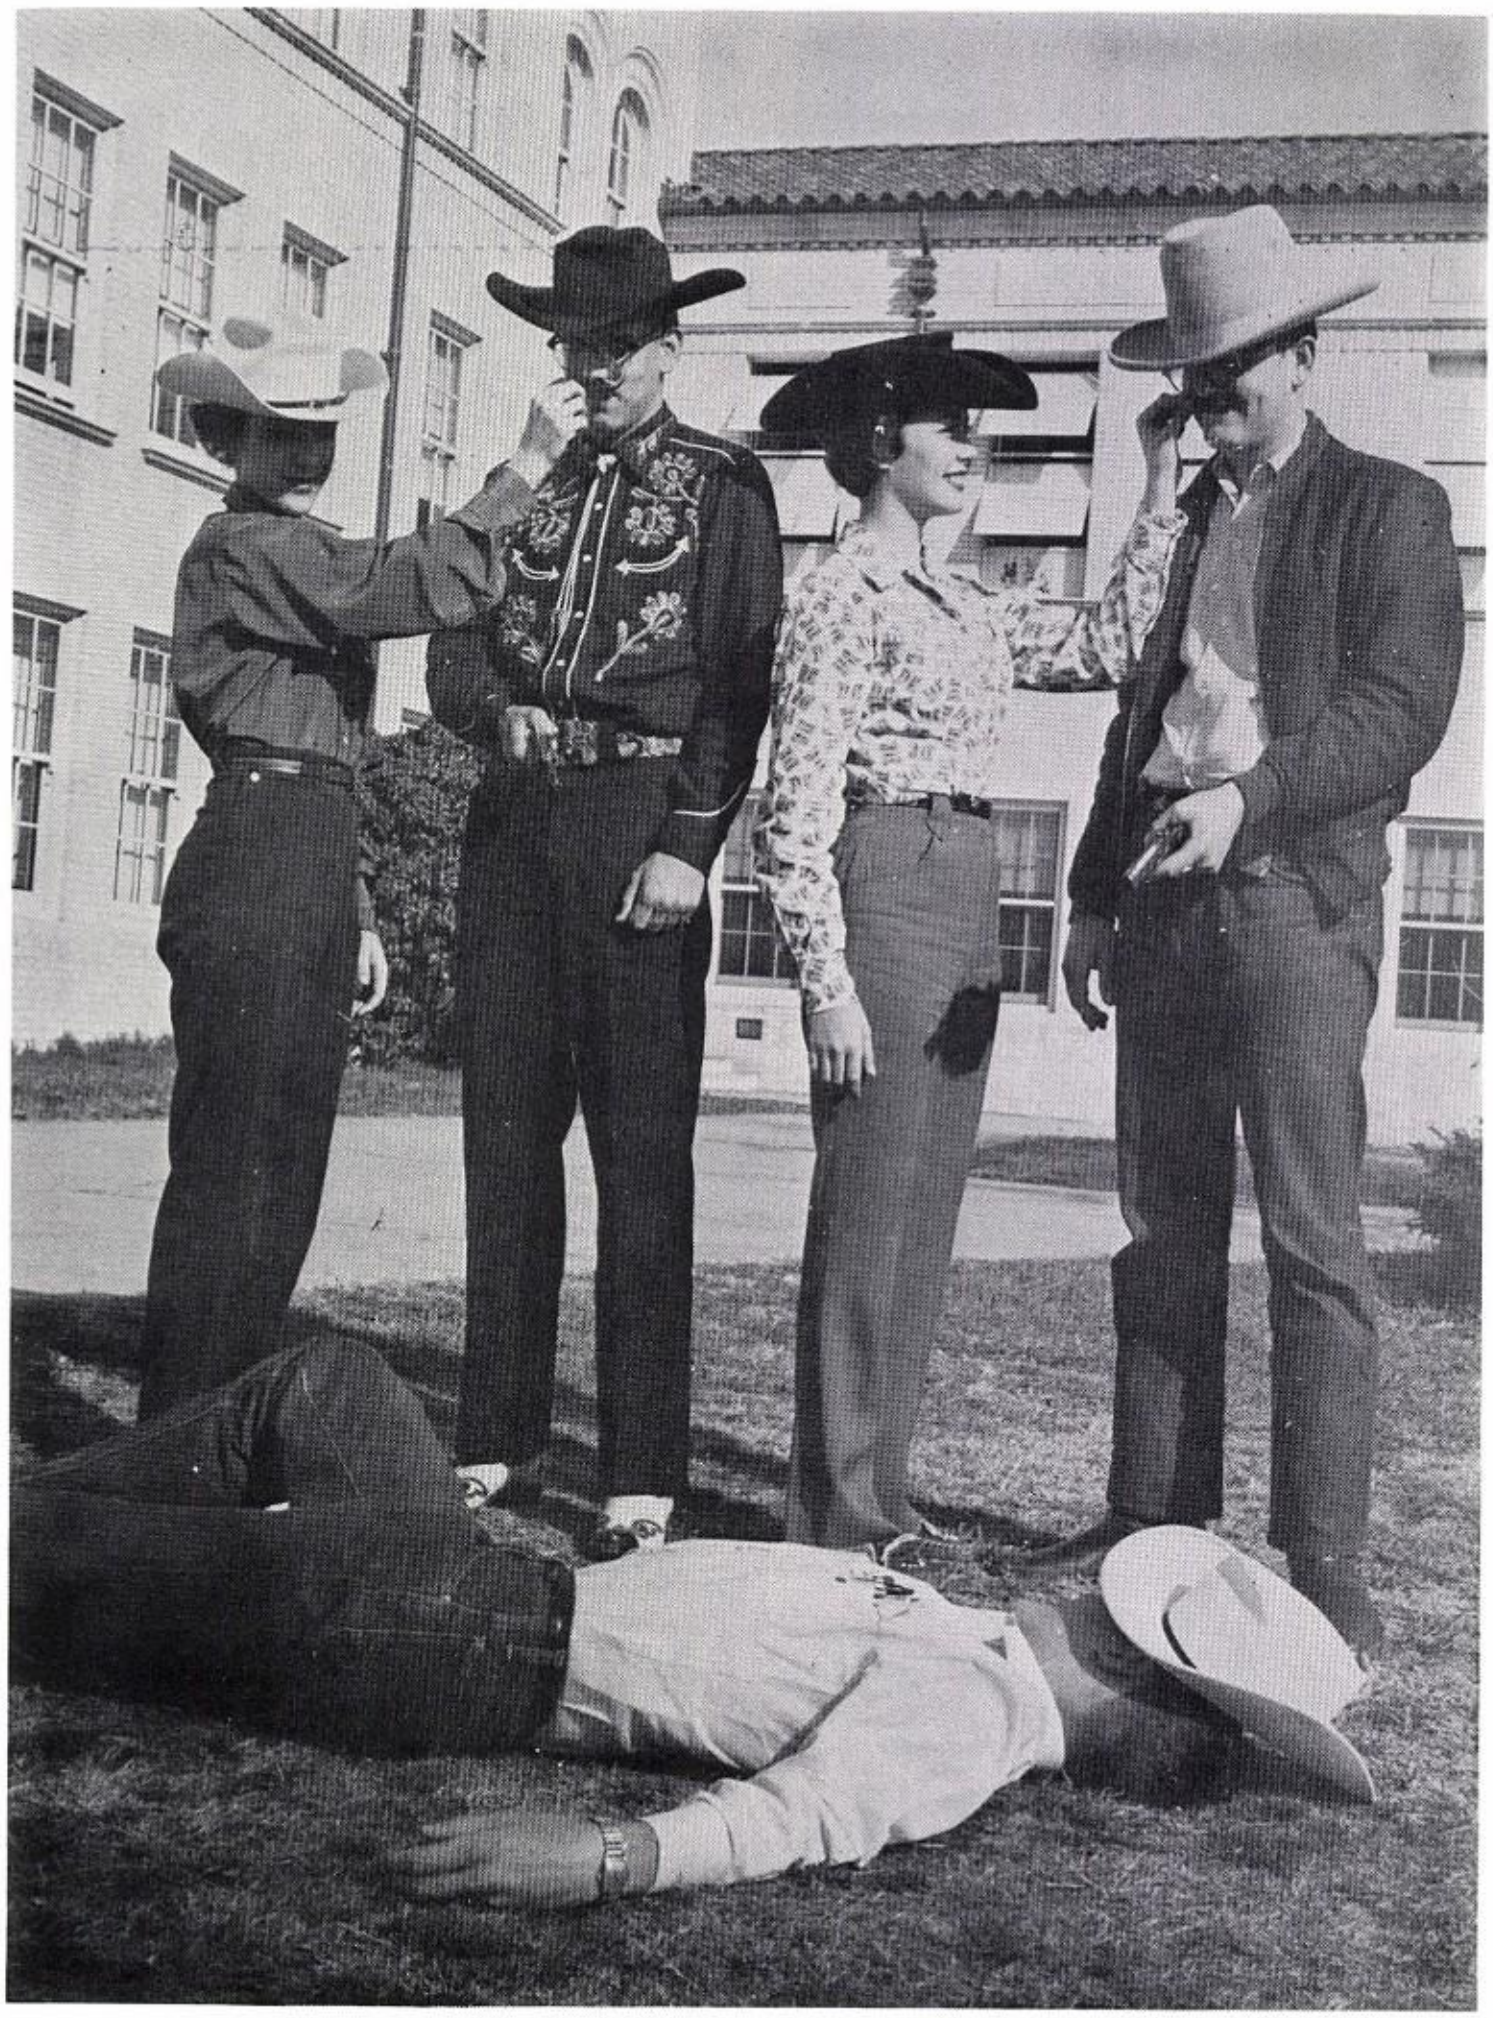
Showing awards won by the EAGLE RECORD staffs are seated: Lynda Burnett, Jane Olmstead, Larrene Melton, Pat Creamier, Georgia Noll, Anne Parker, Jorman Koski, Julaine Boatman, Danny Trice, Mamie Worthington, and Renate Westernhagan.

Record Staff Keeps Eagle High Informed

Working hard to make the deadline are Diane Deason, Kaye Pool, Sallie Carter, Janis Richardson, Barbara Burleson, and Vicky Brown. Watching them are Sue Vencill, Nancy Woolery, Russell Wirtz, Sue Bessent, and Joy Haley.

Energy and originality are the words that best picture the work done by Carter journalists. With the able assistance of Mr. Randall Seely the Record staff published not only the school paper but the Carterite, Eagles' student directory, and Yucca Yarns, an annual literary magazine containing original compositions by Carter students.

Pictured are co-editors Anne Parker and Stephanie Brady and Mr. Randall Seely, sponsor.



Ranch Day

A not so subtle change comes over Carter students each year during the Ft. Worth Exhibition and Fat Stock Show. Vivid shirts, big hats, gun replicas, and cowgirl trousers were all in evidence this year. Two very convincing mustaches developed on Byron Christian and Jim Kithas. Jill Freeman and Linda Richardson investigate them and completely ignore the fellow who obviously drew too late.

'57-'58 Carter Color Guard was Carter, Giles, Gideon and Drake.

Reserve Officers Training Corps

During high school years military training becomes very dominate in a boys mind. This training provided in high schools is a background for the service. The boys in R. O. T. C. gain experience in leadership, drill, exercise, and command, also techniques in teaching and the study of weapons.

Activities this year consisted of a picnic at Swift's camp, a Christmas Dance, rifle match, Federal Inspection, and the Spring Ball. The sponsors worked very hard planning these activities under Miss Berrong's supervision.

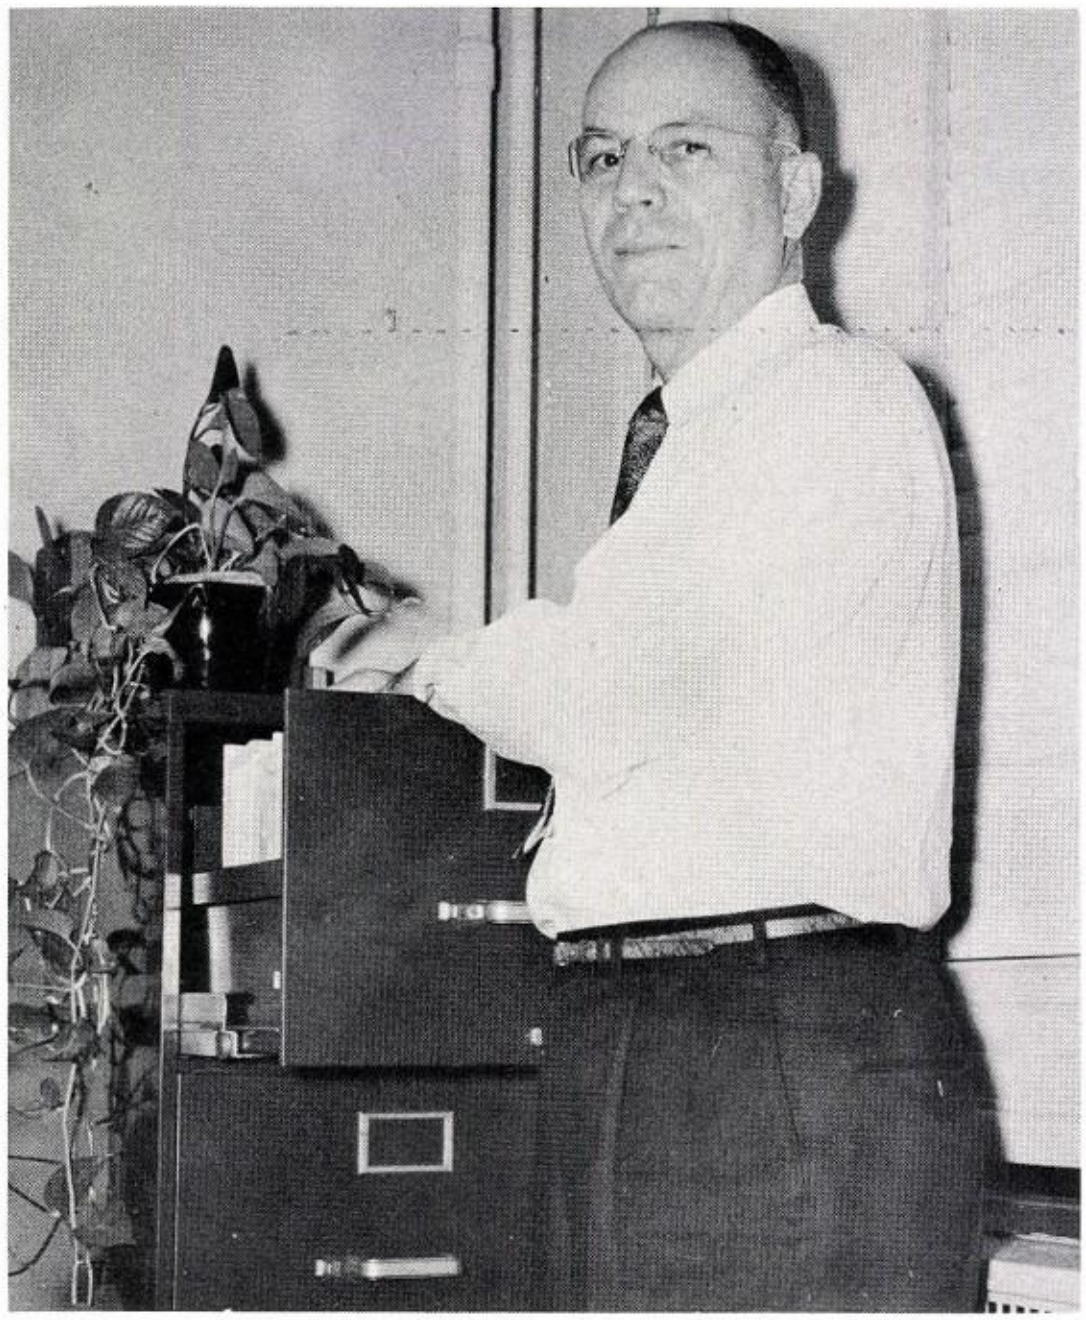
Top directors of the Fort Worth Public School system are the superintendents pictured on this page. Ft. Worth is lucky to have men of such high aims and ideals to head our public education institutions. They have set high standards of instruction for which we are all justly proud.

Mr. Hague L. Lindsay, B.A., M.A.
Principal

Too much work is a frequent complaint of Carter students, but if they consider the jobs done by Carter's principal, Mr. Hague L. Lindsay, they would feel differently.

Supervision of all school activities is his job. His tasks are many including class assignments, instructional and maintenance supervision, and budget making.



Mr. Jerry Sullivan, B.A., M.S.
Vice-Principal

Our vice - principal knows almost ever boy at Carter, for various reasons, and he offers guidance and counseling to all students who request it. Mr. Sullivan is a friend to all, and Carter is proud of the fine work he does.

Mrs. Jeanette Bright, B.A., M.E.
Dean of Girls

Held in high respect by all girls is our popular Dean of Girls, Mrs. Jeanette K. Bright. A friend to all students, she advises as well as handles disciplinary matters. "Dean Jean", as she is sometimes called, is just indispensable at Carter.

Sputniks Challenge Students

World conditions and interest in rockets and missles have created demands for stronger scientific emphasis in public schools. Biology, taught by Mr. Neal Boyd, Chemestry instructed by Miss Sadie Mae Gregory, and Mr. Paul Essig's Physics classes meet those demands at Carter. Well equipped class rooms and laboratories offer the student a wide variety of scientific thought and experience.

History Shows Us Our Heritage

Carter's students journey into the past through studies of American and world history. These subjects teach us to appreciate the efforts of our forefathers in the creation of a great nation and often encourages many to enter the field of leadership in civic and state affairs. A better understanding of government and world problems is a principal aim.

Drama Students Score With Nine Girls

"All for theater!" The familiar quotation is a watchword among theatrical people. Miss Elizabeth Ann Putman has slightly altered that statement to "All for Carter theater!" Miss Putman daily instructs speech, dramatics, and senior play classes in the art of conducting themselves with ease on a stage.

Each year the dramatics classes and senior play classes endeavor to present at least two productions for the enjoyment of the student body and the furthering of their own artistic abilities. Two of this years productions were: **Nine Girls,** and **Down to Earth.**

Slide Rule Class Meets Before School

In this age of satellites, mathematics assumed a greater importance than ever, and Carter's math teachers met the challenge with such measures as a before school class on the slide rule. Algebra, Geometry, Trig, Solid Geometry, and Commercial Arithmetic are subjects which may be required or elected.

Vanquita Nowell and Carolyn McDowell bisect triangles while Don Underwood studies in Mrs. Fuqua's Geometry Class.

New Bible Teacher At Carter

There is never sufficient time in Carter's Bible classes to cover a study of the Bible, but students taking this subject gain a greater understanding and interpretation of the world's greatest book. Rev. Marvin Boyd was our Bible instructor this year.

Linda Padgett shows Biblical locations to Rufus Walker, Linda Kunze, Jo Ann Wyatt and Linda Beck in the 5th period class.

Literature Can Be Fascinating

Carter's English teachers are among the best in acquiring student enthusiasm in the classics. And who is there to dispute the fact that a really educated person must be grammatically correct. Besides Mrs. Solon and Mrs. Wehrung, other English teachers were Miss Craig, Mrs. Weiser, Mr. Seely, Miss Putman, Mr. Boyd and Mr. Curry.

Carter Offers Two Foreign Languages

Whether it be Latin or Spanish, a study of foreign languages becomes important phase of any well educated person. Carter offers both these under the direction of Miss Craig and Mrs. Weiser. Customs and Costumes of the Romans and the Latin Americans are studied along with verbs and nouns to make these classes more interesting.

Under the direction of Mr. Ed Curry, pencils, crayons, brushes, knives, and kilns are kept busy turning out numerous experiments in creative expression.

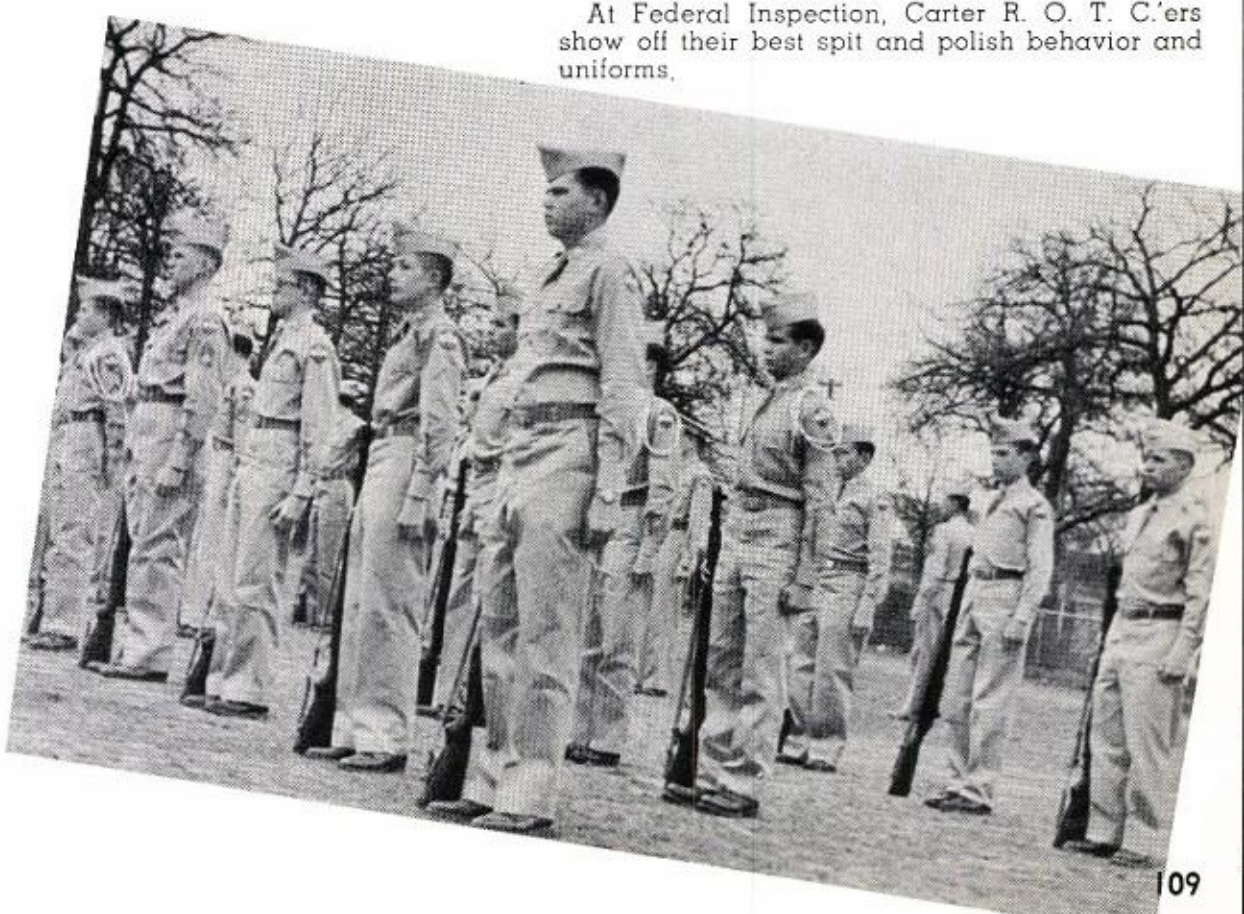
Preparing boys for future military service is the principal aim of the Reserve Officers Training Corps, and two new corps directors, Sgt. Keene and Sgt. Wood made this department hum with activity. A precision drill platoon demonstrated its skill between halves at the Carter-Northside game. A gun club was organized to interest boys outside of the corps. Training in weapons, drill and command and military tactics as well as a variety of social functions kept R. O. T. C. members busy.



At Federal Inspection, Carter R. O. T. C.'ers show off their best spit and polish behavior and uniforms.

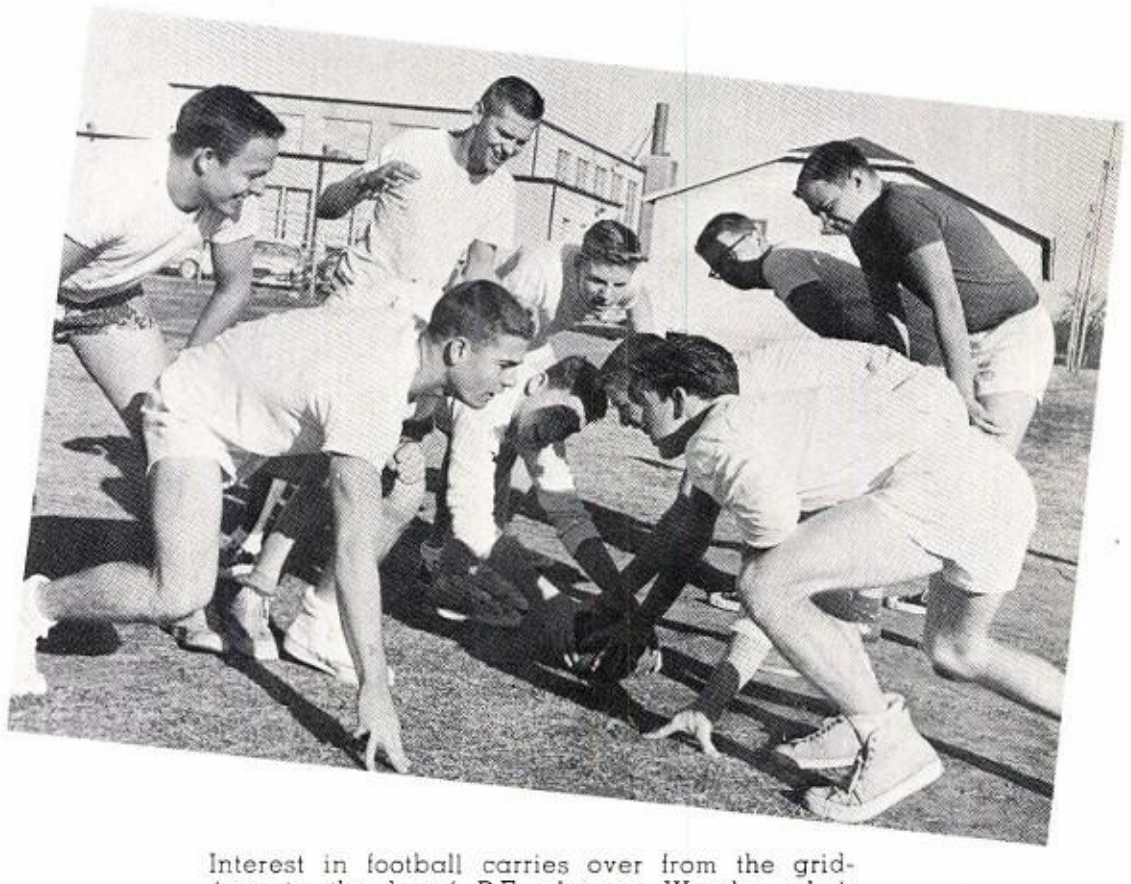
Keeping Us Fit Is P.E.'s Job

Exercise through games and calisthenics are a must if one expects to develop into a healthy individual. Required of all students, Physical Education came to most boys in the form of sports. Those cold days in December really woke them up when the coaches had everyone out in shorts. In addition to Mr. Goldstein and Mr. Dixon, P.E. had two other coaches in its ranks—Mr. Cooper and Mr. Scott.



Interest in football carries over from the gridiron to the boys' P.E. classes. Wonder who's going to center the ball?
